TECHNOLOGY STACK

Empowering Tech Future

The company leverages modern technologies and frameworks to build scalable, secure, and high-performance digital solutions. Its tech stack is continuously updated to meet evolving industry standards and client needs.

Client-Side Development:

Frontend Development: React, Angular, Vue.js, Tailwind CSS, Vite

Mobile App Development: React Native, Flutter, Swift (iOS), Kotlin (Android).

Server-Side Development:

.NET Stack: ASP.NET Core, Blazor, Entity Framework Core, SignalR. **Python Stack:** Django, Flask, FastAPI, SQLAlchemy.

Node.js Stack: Express.js, Nest.js, Next.js, Prisma. **Java EE Stack:** Spring Boot, Hibernate, JavaFX, SWT

Infrastructure & Operations:

Cloud & DevOps: Amazon Web Services (AWS), Google Cloud, Microsoft Azure. **Containerization:** Docker, Kubernetes.

CI/CD & Version Control: GitHub (with Actions), GitLab CI, Git SCM.

Database & Data Storage:

Relational (SQL): PostgreSQL, SQL Server, MySQL, SQLite. **NoSQL:** MongoDB, Firebase

Data Science & Artificial Intelligence:

Machine Learning & Deep Learning: Core Libraries: Scikit-learn, NumPy, Pandas. **Frameworks:** TensorFlow, PyTorch, Keras.

(NLP): Hugging Face, spaCy, Swin transformer. **Cloud AI Platforms:** AWS SageMaker, Google Vertex AI, Azure Machine Learning.

Quality Assurance & Testing:

Unit & Integration Testing: Jest, Pytest, xUnit, NUnit. **End-to-End Testing:** Selenium, Cypress, Playwright.

API Testing: Postman, Insomnia

Quality Assurance & Testing:

Project Management & Collaboration: Jira, Trello, Asana, Slack, Microsoft Teams, Confluence, Calendly

Business Intelligence: Power BI (with Copilot), Tableau. **Developer Productivity:** GitHub Copilot, Gemini CLI, Jasper AI

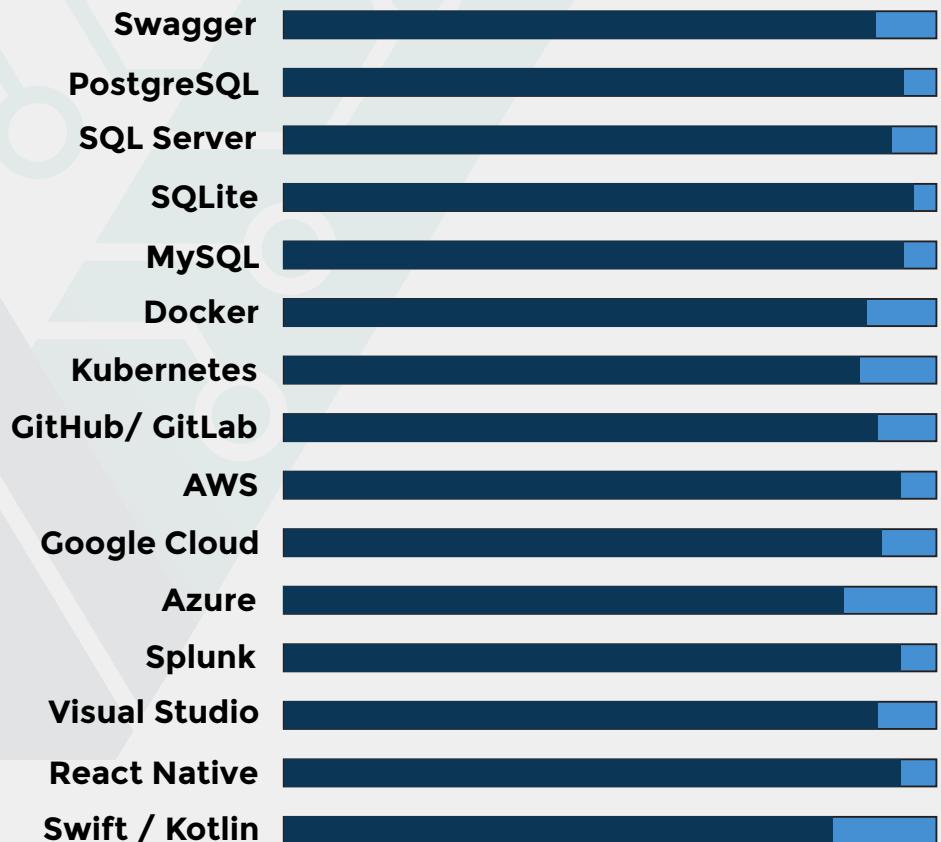

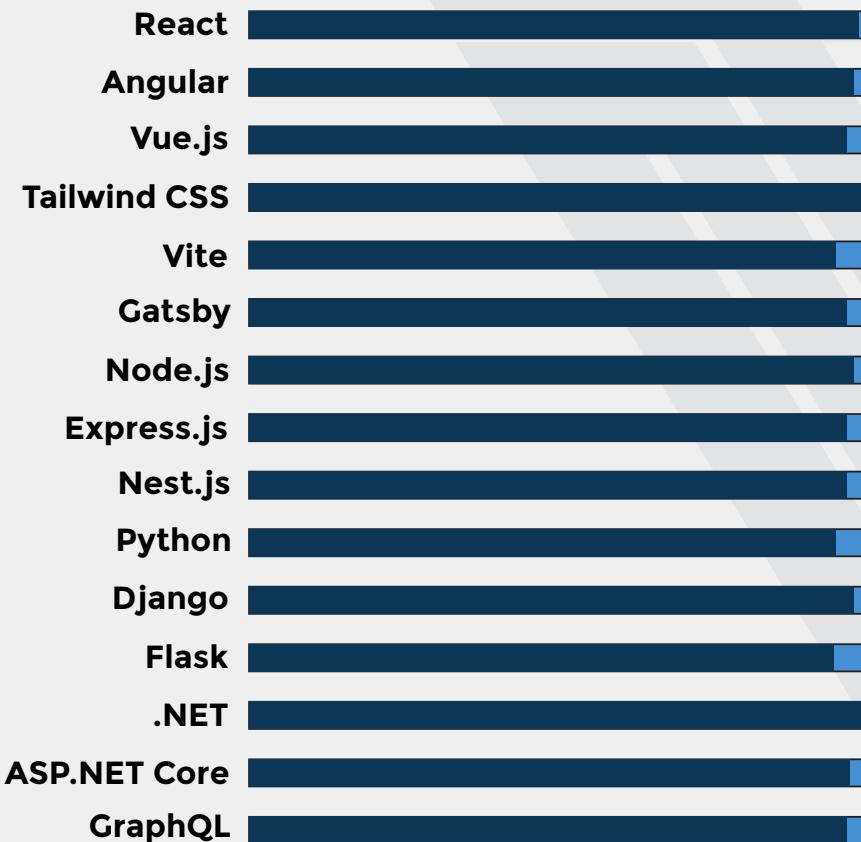

Development Environments (IDEs): Visual Studio, VS Code, JetBrains Suite. **Caching & Messaging:** Redis, RabbitMQ, Kafka.

OUR EXPERTISE

Empowering Tech Future

We use a wide range of programming languages and technologies tailored to each project's needs. Our stack includes SQL Server, Python, .NET, Tailwind css, and frameworks like React, Node.js, and so on.

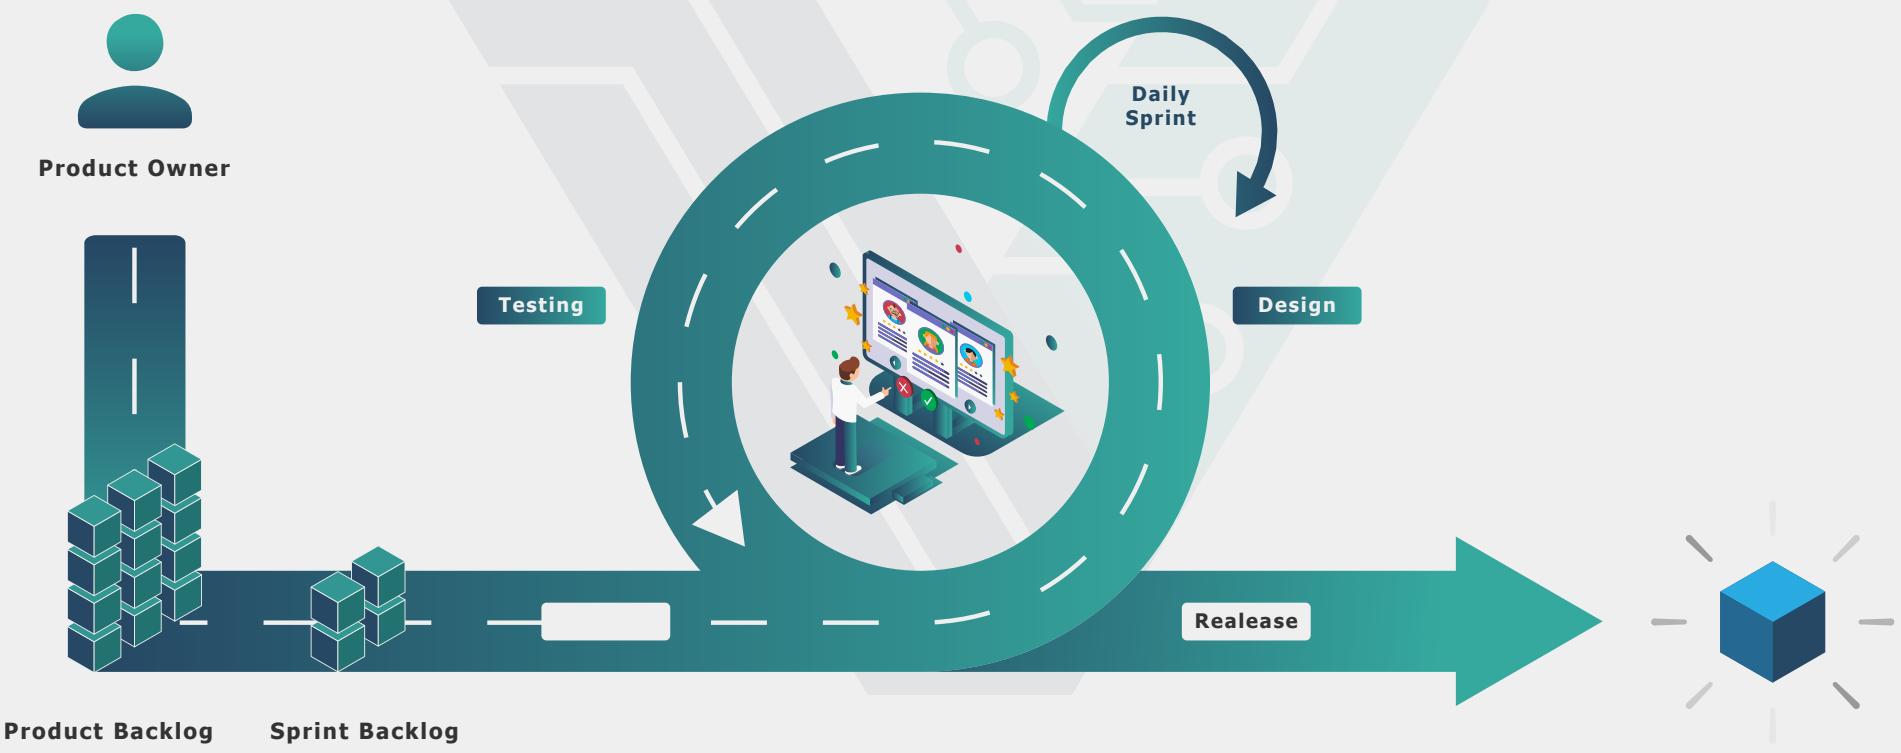

Development Approach

AGILE METHOD

Based on the client requirement & type of the project we prefer to go with the appropriate project execution methodologies & approach. It helps for development of high-quality IT products that meets or exceeds customer expectations, reaches completion within times & cost estimates.

FULL STACK

Development

We offer full stack development services, covering both front-end and back-end technologies. Our team builds scalable, secure, and high-performance progressive web & cross- platform applications tailored to your business needs.

INDUSTRIES SERVED

Empowering Tech Future

We work with wide range of industries, delivering tailored solutions that drive growth, efficiency, and innovation. Our diverse expertise allows us to understand the unique challenges of each sector and craft strategies that create measurable value.

FINTECH

We empower financial technology companies with secure, scalable solutions for digital payments, lending platforms, mobile banking, and more—enhancing user experience and compliance.

HEALTHCARE

From telemedicine platforms to patient data management systems, we support healthcare providers and innovators in improving care delivery, operational efficiency, and data security.

E-COMMERCE

We help online retailers optimize user experience, integrate secure payment gateways, and implement robust inventory and order management systems to streamline operations and boost sales.

REAL ESTATE

Whether it's property listing portals, real-time market analytics, or virtual tours, we support real estate businesses with tech solutions that drive engagement and growth.

EDUCATION

We build digital learning platforms, virtual classrooms, and education management systems that enhance access to knowledge and simplify administration for institutions of all sizes.

LOGISTICS

From fleet management to real-time tracking and automated route planning, our solutions streamline logistics operations, reduce costs, and improve delivery performance.

TRAVEL & HOSPITALITY

We design tools for online booking, customer engagement, and personalized travel experiences—helping businesses in this space create unforgettable journeys for their customers.

MAJOR PROJECTS

Empowering Tech Future

Online Pharmacy E-commerce

The screenshot shows a mobile application interface for an online pharmacy. At the top, there's a red circular icon with a white logo, followed by the text "আমার ওষুধ" (My Medicine) in Bengali. To its right are navigation links: "হোম" (Home), "পর্যায়" (Category), "প্রেসক্রিপশন অপলোড" (Prescription Upload), a heart icon, a shopping cart icon, and a green button labeled "লজিস্টিক". Below this header, the main title "আপনার সুস্থান্ত্র, আমাদের অগ্রাধিকার" (Your comfortable place, our achievement) is displayed in large red text. A subtext below it reads: "আপনার প্রয়োজনীয় সকল ঔষুধ ও স্বাস্থ্যপণ্য ত্রুট ও নিরাপদে আপনার দোরগোড়ায় পোছে দিচ্ছি।" Two buttons are visible: "প্রেসক্রিপশন আমালোচ করুন" (Check Prescription) and "Instant Order". At the bottom, a "Categories" section is shown.

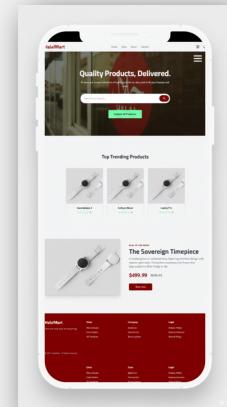

Headless E-commerce Solution

The screenshot shows a mobile application interface for a headless e-commerce solution. The top navigation bar includes the brand name "ProductiveEcom", "Home", "Shop", "About", "Contact", a shopping cart icon, and a "Sign In" button. Below the navigation is a large black banner with the text "Quality Products, Delivered." in white. Underneath the banner, a subtext says: "Browse our curated selection of high-quality items, designed to fit your lifestyle and needs." A search bar with the placeholder "Search for products..." and a magnifying glass icon is located below the subtext. At the bottom of the screen is a yellow button labeled "Explore All Products".

EduTech - Student Management

The screenshot shows a web-based student management system. At the top, there's a header with the logo "EDGE CSIT PSTU", the text "Digital Skills Training for Students", and links for "About", "Contact Us", "Privacy", and "Verify Certificate". On the right, there are "Apply Now" and "Login" buttons. The main content area has a heading "Welcome to EDGE Training Program" and a sub-section titled "Check validity of your certificate". It features a form where users can enter a "Certificate ID/Serial" (e.g., "EDGE-1") and a "Check Validity" button. Logos for "BCC" and "EDGE" are at the bottom, along with copyright information: "Comments to: Admin", "© Department of CSIT, PSTU in association with ICT Division, Bangladesh | 2025.", and "Developed by: PST Team".

E-commerce Mobile APP

CLIENT TESTMONIAL

Empowering Tech Future

Our clients consistently highlight our commitment, expertise, and results. From seamless project delivery to ongoing support, their testimonials reflect the trust and satisfaction we aim to build with every partnership.

"Teachvelly delivered beyond expectations. Their team was proactive, fast, and highly skilled."

– James K., CEO, HealthBridge USA.

"Professional and reliable. We consider them our long-term partners."

– Ariful Islam Polash, CEO, AmaroSudh BD.

CERTIFICATIONS & PARTNERSHIPS

Empowering Tech Future

Certifications & Partnerships demonstrate our commitment to excellence, showcasing trusted collaborations and verified expertise that enhance our services and ensure industry-leading quality.

GDPR COMPLIANT

"GDPR compliant" means adhering to the EU's General Data Protection Regulation, ensuring personal data is collected, processed, and stored lawfully, transparently, and securely

ISO 27001 COMPLIANCE

ISO 27001 compliance ensures an organization meets global standards for managing information security, protecting data, and mitigating risks through a structured Information Security Management System (ISMS).

AWS PARTNER NETWORK

The AWS Partner Network (APN) is a global community of partners that leverage AWS to build solutions and services, helping customers innovate, scale, and grow their businesses using cloud technology.

MEMBER – BASIS

Member of BASIS (Bangladesh Association of Software and Information Services), contributing to the growth of Bangladesh's IT sector through innovation, collaboration, and tech excellence.

ENGAGEMENT MODELS

Empowering Tech Future

SUSTAINABILITY & ESG COMMITMENT

Empowering Tech Future

We are dedicated to build a responsible, inclusive, and sustainable future. Our Environmental, Social, and Governance (ESG) practices are integrated into every level of operations.

Sustainability & ESG Initiatives:

- Remote-first operations reduce carbon footprint.
- Energy-efficient cloud hosting (AWS Green Initiatives).
- Paperless administration & documentation.
- Ethical AI development practices.
- Inclusive hiring and equal opportunity policies.
- Commitment to UN Sustainable Development Goals.

KPIs / PERFORMANCE METRICS

Empowering Tech Future

With over 75 successful projects and clients across the USA, UK, EU, and Asia Pacific, we deliver results within 4–8 weeks on average. Our 90%+ client retention rate, 99.9% uptime, and expertise across 30+ frameworks reflect our commitment to reliability, efficiency, and innovation.

Metric	Value
Projects Delivered	75+
Global Clients	20+ (Asia Pacific, USA, UK, EU)
Avg. Delivery Time	4–8 weeks
Client Retention Rate	90%+
Uptime SLA	99.9%
Tech Coverage	30+ frameworks/tools

TERMS & CONDITIONS

Empowering Tech Future

Project Agreement:

Every project runs under a written agreement that defines scope, deliverables, and timelines.

Confidentiality:

We respect the confidentiality of client data and project information. Both parties agree not to disclose sensitive information without written consent, except as required by law.

Intellectual Property:

1. Upon full payment, clients will own the final deliverables of custom projects unless otherwise agreed.
2. Techvelly retains rights to internal tools, code libraries, and frameworks used in development.

Limitation of Liability:

1. Techvelly is not liable for indirect, incidental, or consequential damages arising from the use of our services.
2. While we ensure high uptime and quality, we do not guarantee error-free or uninterrupted service.

TERMS & CONDITIONS

Empowering Tech Future

Termination:

Either party may terminate a service agreement with written notice. Fees for completed work up to the termination date must be paid by the client.

Governing Law:

These Terms & Conditions are governed by the laws of Bangladesh, and any disputes will be handled under its jurisdiction.

Changes to Terms:

Techvelly reserves the right to update or modify these Terms & Conditions at any time. Updates will be posted on this page with the revised date.

Contact Us:

If you have any questions regarding these Terms & Conditions, please contact us at:

Email: info@techvelly.com
